

Campus MovieFest 2013

Script Submission Guidelines

Email scripts to creative@fps-productions.com by 10/4 (Fri) 11:59pm.

Scripts must be under 5 pages to keep the film under the 5-minute maximum length.

Include a cover page with the title, your name, your contact information, and a logline. This page is not included in the 5-page count.

Scripts will be selected based on quality, feasibility, and potential to win awards.

Be aware that CMF presents awards for the following categories: best drama, best comedy, and social justice (dealing with poverty and inequality).

Try to keep characters and locations to a minimum and consider the accessibility of resources as you write your script.

If you know of any appropriate locations to shoot your script, including them in the email can help increase the feasibility of your script.

Remember that we only have one week, or even one weekend, to shoot the entire film.

You can submit as many scripts as you want.

Visit www.campusmoviefest.com to watch past CMF films and winners for inspiration and guidance.

Feel free to email me at creative@fps-productions.com if you have any questions.
